

The Opportunity...

For a small buy in of \$5000 and a 12 month contract, you will get access to our proven, luxury end products and supply chain, and remain operating under your own business name. (we can even arrange the \$5K to be paid over the first 2 jobs you do)

As a **tradesman** you will be able to on sell the product at a considerable profit, with next to NO overheads. This means no need for setting up expensive factories, storage facilities or showrooms. You will be in total control of the price you charge your clients. We will hold no bearing on how you run your business.

The opportunity of the concept enables you to sell to clients under market costs with far greater profits, and in turn win more jobs.

As an **existing cabinetry manufacturer / supplier**, this opportunity is full of options to increase your profit. The opportunity to directly import high end fixtures and accessories like BLUM and
