# STEPS FOR GETTING A KITCHEN QUOTE...

1. Send us your drawings. If you don't have CAD drawings yet, just a hand drawing with measurements on it will do.
2. Send us a couple of photos of the style you want...
3. We can send catalogues for accessories, draws, colours, sinks, stone options (these are also available to view on our website)
4. Make sure you give us your delivery address. That way we can quote a door to door price. This should take about 2 weeks to get a price back to you.

OR

You can request a our kitchen info form, fill it in and get it back to us. ( you'll still need your drawings)
